

Hoonah Hydro Update

MARCH 2, 2010
INSIDE PASSAGE ELECTRIC COOPERATIVE

PETER BIBB

What We Know

- 1. Formal Request for Money \$**
 - Complete Hydrology Study
 - Final Design & Permitting

- 2. Selected People to Help with Project**
 - City of Hoonah
 - Alaska Energy Authority
 - Alaska Energy and Engineering
 - HDR, Anchorage/Seattle
 - Alaska Electric Light and Power Company

- 3. Project is not New-Looked at for Many Years**

What We Don't Know

- 1. When Construction Will Occur**
 - Too Many Unknowns

- 2. Generation Capacity and Energy Output**
 - Must Verify Water Flow and Elevation

- 3. Where Construction Funding Will Come From**
 - Grant Funding
 - Low-Cost Loans

Closing

1. **Hydro for Hoonah Moving Beyond Conceptual**
2. **Requested Funding will Materialize**
3. **Working with Competent People**
4. **“Obstacles are Opportunities in Disguise”**
