Next Steps

**Summer 2008**
- Refine the location and description of the ADOT&Pf Master Plan preferred airport site;
- Refine the range of airport location alternatives for analysis in the EIS;
- Gather existing information about resources and land uses that could be affected by the proposed airport location and alternatives.

**Fall 2008**
- Issue the Notice of Intent to prepare an EIS;
- Conduct formal scoping meetings in Angoon, Juneau, and Anchorage.

**Spring / Summer / Fall 2009**
- Conduct field studies and impacts analysis;

**Winter 2009 / Spring 2010**
- Issue Draft EIS;
- Hold public meetings to receive comments on the Draft EIS.

**Fall / Winter 2010**
- Issue Final EIS and Record of Decision.
