Every district, school & student
Daily health & nutritious meals
Local food, businesses & sources

Are you a school food service coordinator, teacher or administrator?

Do you want to start, build or enhance your local food production business?

Network with resourceful agencies, food producers and schools to develop and source local foods

hear regional success stories • learn about funding resources
create a sustainable business • build a school greenhouse
connect with regional producers and markets
and much more!

Hosted by Southeast Conference
April 2-3, 2015 I Juneau, Alaska
