

## Sponsorship Program

We invite you to be a sponsor of Southeast Conference to help us support activities that promote strong economies, healthy communities, and a quality environment in Southeast Alaska. Sponsorships are also opportunities to advertise your services and build name recognition in our Southeast Alaskan communities. Sponsors receive recognition at the event which they agree to sponsor, such as the Mid-Session Summit in the spring or the Annual Membership Meeting in the fall. If you would like to participate, please contact us for more information, or just complete this form and send it to us.
