# Strategic Pathways

## Process and Timeline

Strategic Pathways reviews are being conducted in three phases. Phase 1, which began this summer, will conclude this fall. Phase 2 will commence in late September and conclude by the end of the year. Phase 3 will follow in early 2017. Faculty, staff, students, alumni and community members will have extensive opportunity to participate in the process including through forums and community meetings, and the university community will be informed of progress on a regular basis.
