Alaska Marine Lines History and Mission Statement

In 1980 Southeast barge lines was established and renamed Alaska Marine Lines in 1982. In 2020 we celebrated (or tried to) our 40th anniversary!

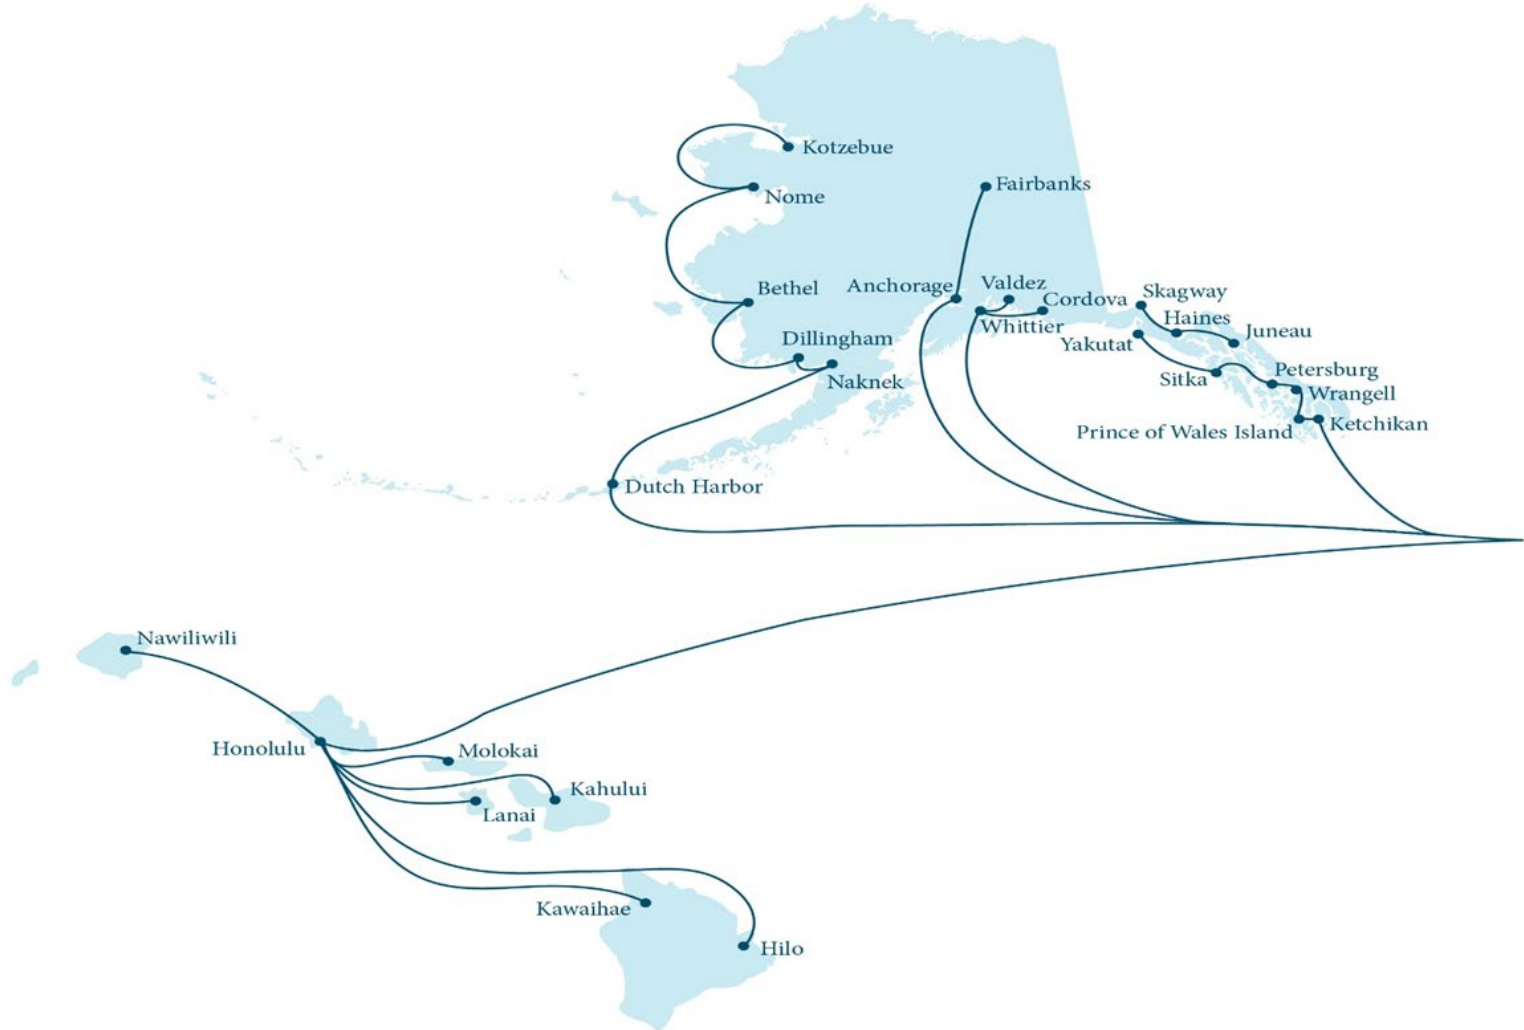

“We are dedicated to providing essential transportation solutions to the communities we serve. And to provide our customers a level of service that exceeds their expectations.”

We currently serve the following communities KTN KAKE, SITKA, PSG, JNU, HNH, HNS, SGY, YAK, and both Kensington / Greens Creek Mines.

Lynden's **EZ Commerce Center** makes it easy to conduct business with innovative, advanced automation. EZ Commerce allows customers to request pickups, generate documents, trace shipments, view delivery receipts, download shipments activity reports and receive invoices electronically anytime without ever picking up the phone. The service is free to any Lynden customer and requires no minimum shipment or revenue commitment.

AML is a pioneer in new super efficient equipment designs. We have the largest fleet of 102" wide equipment in Alaska. We are the only carrier in Alaska offering 10' high containers that allow for 110" door height openings. All of these features are wrapped up in containers that start at 20' and go as long as 53'!

Infrastructure capital Investment – maintain and improve our own facilities. And work closely with Municipalities where we lease. We strive to work with local contractors and suppliers as much as possible. New tank purchase from VIGOR in KTN.

Importance of infrastructure – Vital to our communities survival and economic prosperity. LUTAK Dock Project; HNH multi use facility.

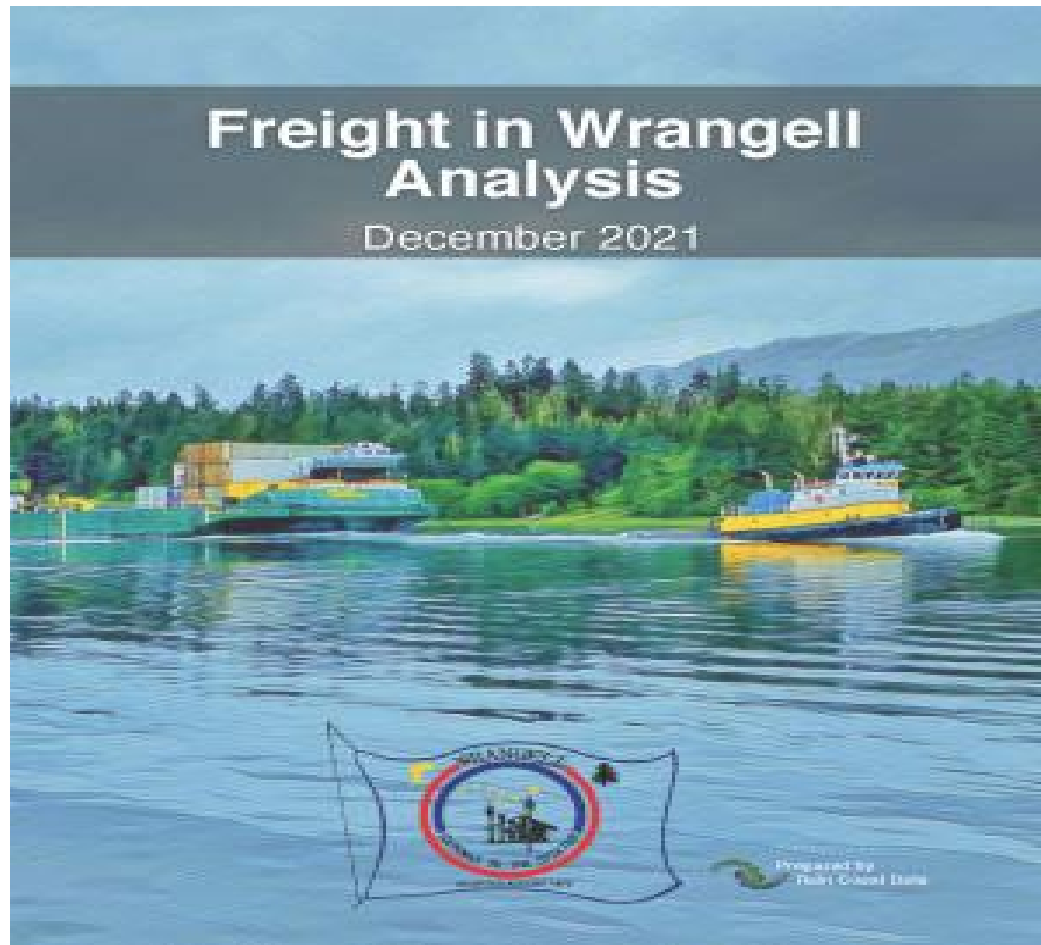

Challenges to predictability / Infrastructure bill projects –
scarcity of product (increased demand); labor shortages; inflation.

Prices for AML Most Used Commodities

- Shipping container: +31%
- Tires: +13%
- Lube Oil/Hyd Fluid: +17%
- Shackles: +27%
- Chain: +33%

All about Community

We Give Back. In the last year, AML has donated over \$500,000 to various communities throughout Alaska.
