Broadband Office – Organization Chart

Alaska Broadband Office Update

Infrastructure Investment and Jobs Act

National Telecommunications and Information Administration (NTIA) Programs

Digital Equity (DE)
\$640,000,000

Broadband Equity,
Access and
Deployment (BEAD)
\$42,000,000,000

Alaska Broadband Office Update

Digital Equity

DIGITAL EQUITY -- DIGITAL INCLUSION -- DIGITAL LITERACY

COVERED POPULATIONS

- Households at/or below 150% of the Poverty Level
- Aging Individuals
- Veterans
- Incarcerated Individuals
- Individuals with Disabilities
- Members of Racial or Ethnic Minority Group
- Individuals with Language Barrier
- Residing in Rural Area

FUNDING

- Planning Grants: \$60 Million
- Capacity Grants: \$240 Million
- Competitive Grants: \$1.25 Billion

HUMAN SUBJECT RESEARCH

- Careful Planning
- Approved Questions

Alaska Broadband Office Update - BEAD

Broadband Equity, Access and Deployment

INTERNET FOR ALL

Allocates \$42 Billion for all States and Territories

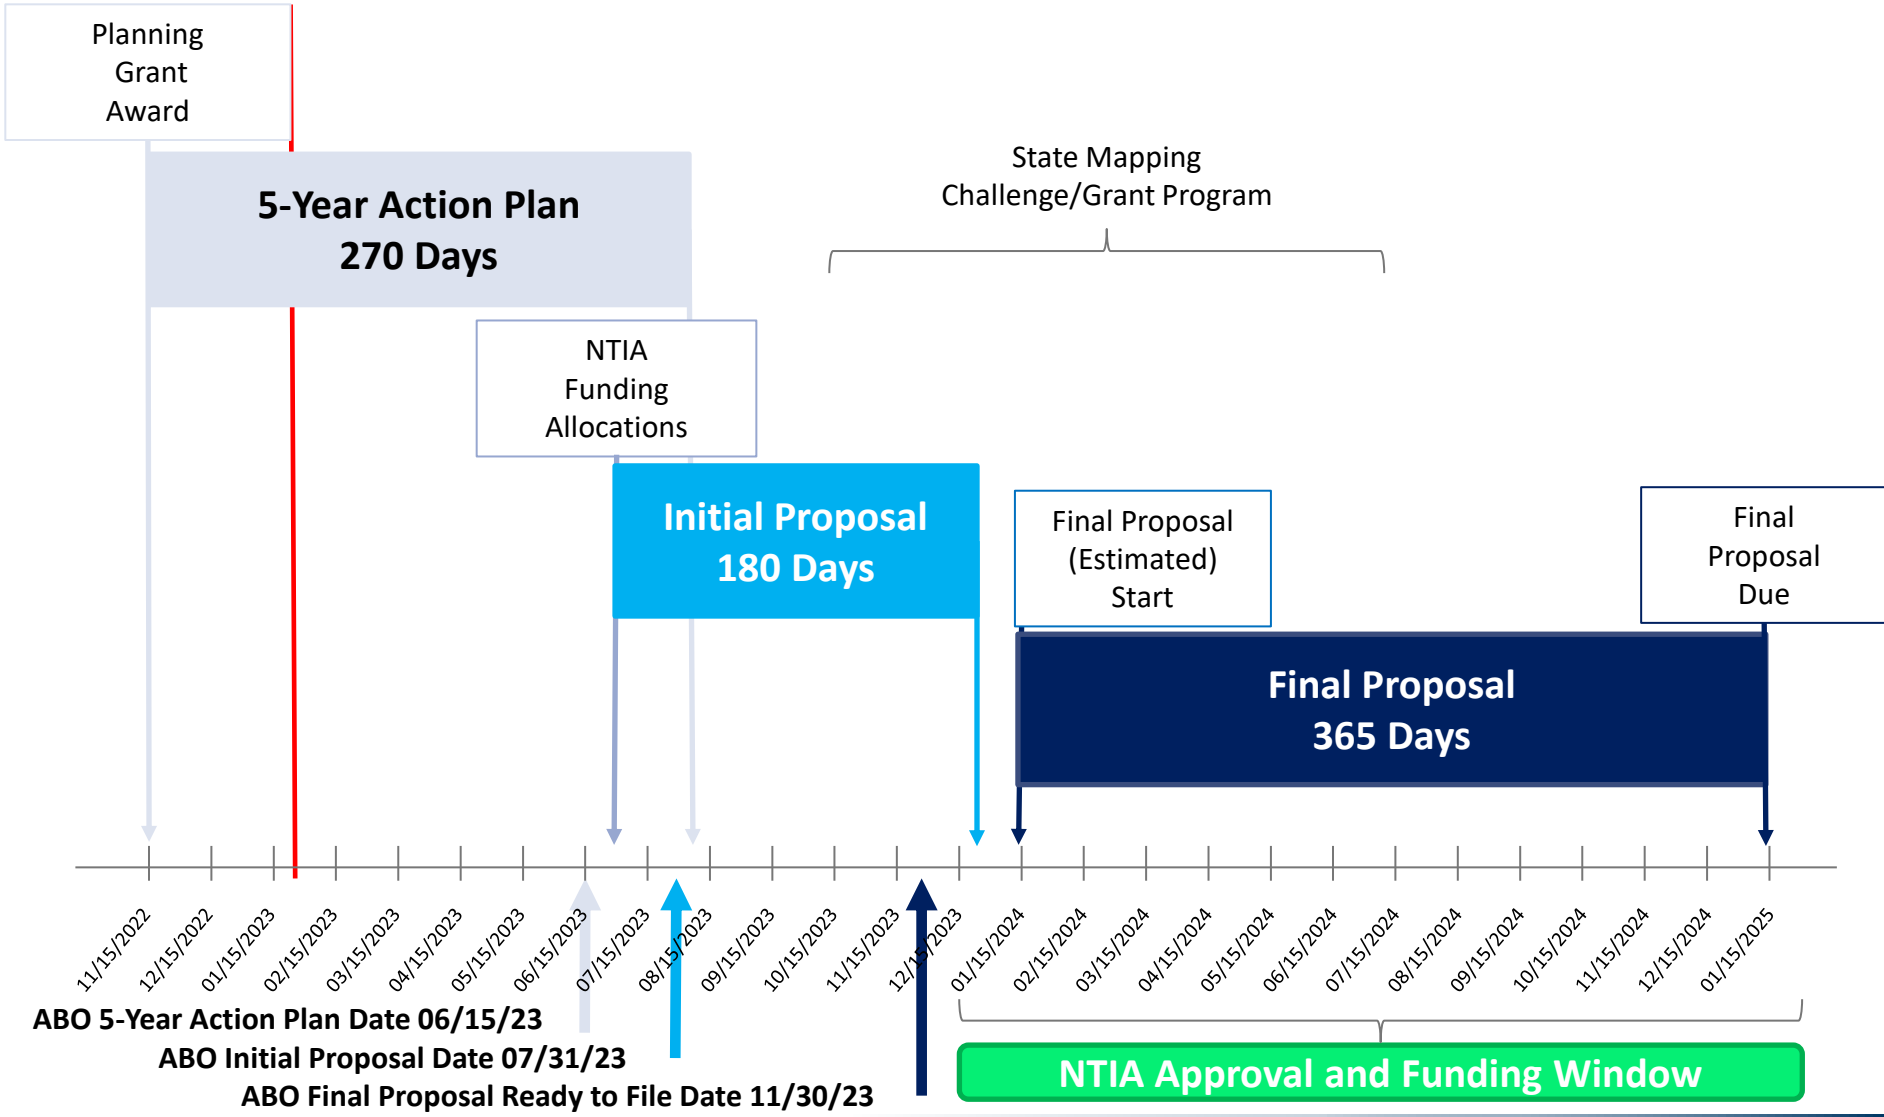

- \$100 Million Minimum Allocation for each State and Territory
- High-Cost Areas (10%) = Unserved in “High Cost” area as a percentage of total Unserved in “High Cost” areas in the United States
- Remaining Funds = Unserved in Alaska/Unserved total US

Disbursement of Alaska’s Allocation

- Alaska’s allocation will be disbursed, through grants, based on percentage of locations that are:
 - Unserved (less than 25Mbps/3Mbps)
 - Underserved (less than 100Mbps/20Mbps) and
 - Unserved Community Anchor Institutions (less than 1Gbps/1Gbps)

NTIA Milestone Dates and ABO Timeline

Unserved / Underserved / Served

Broadband Equity, Access and Deployment Program

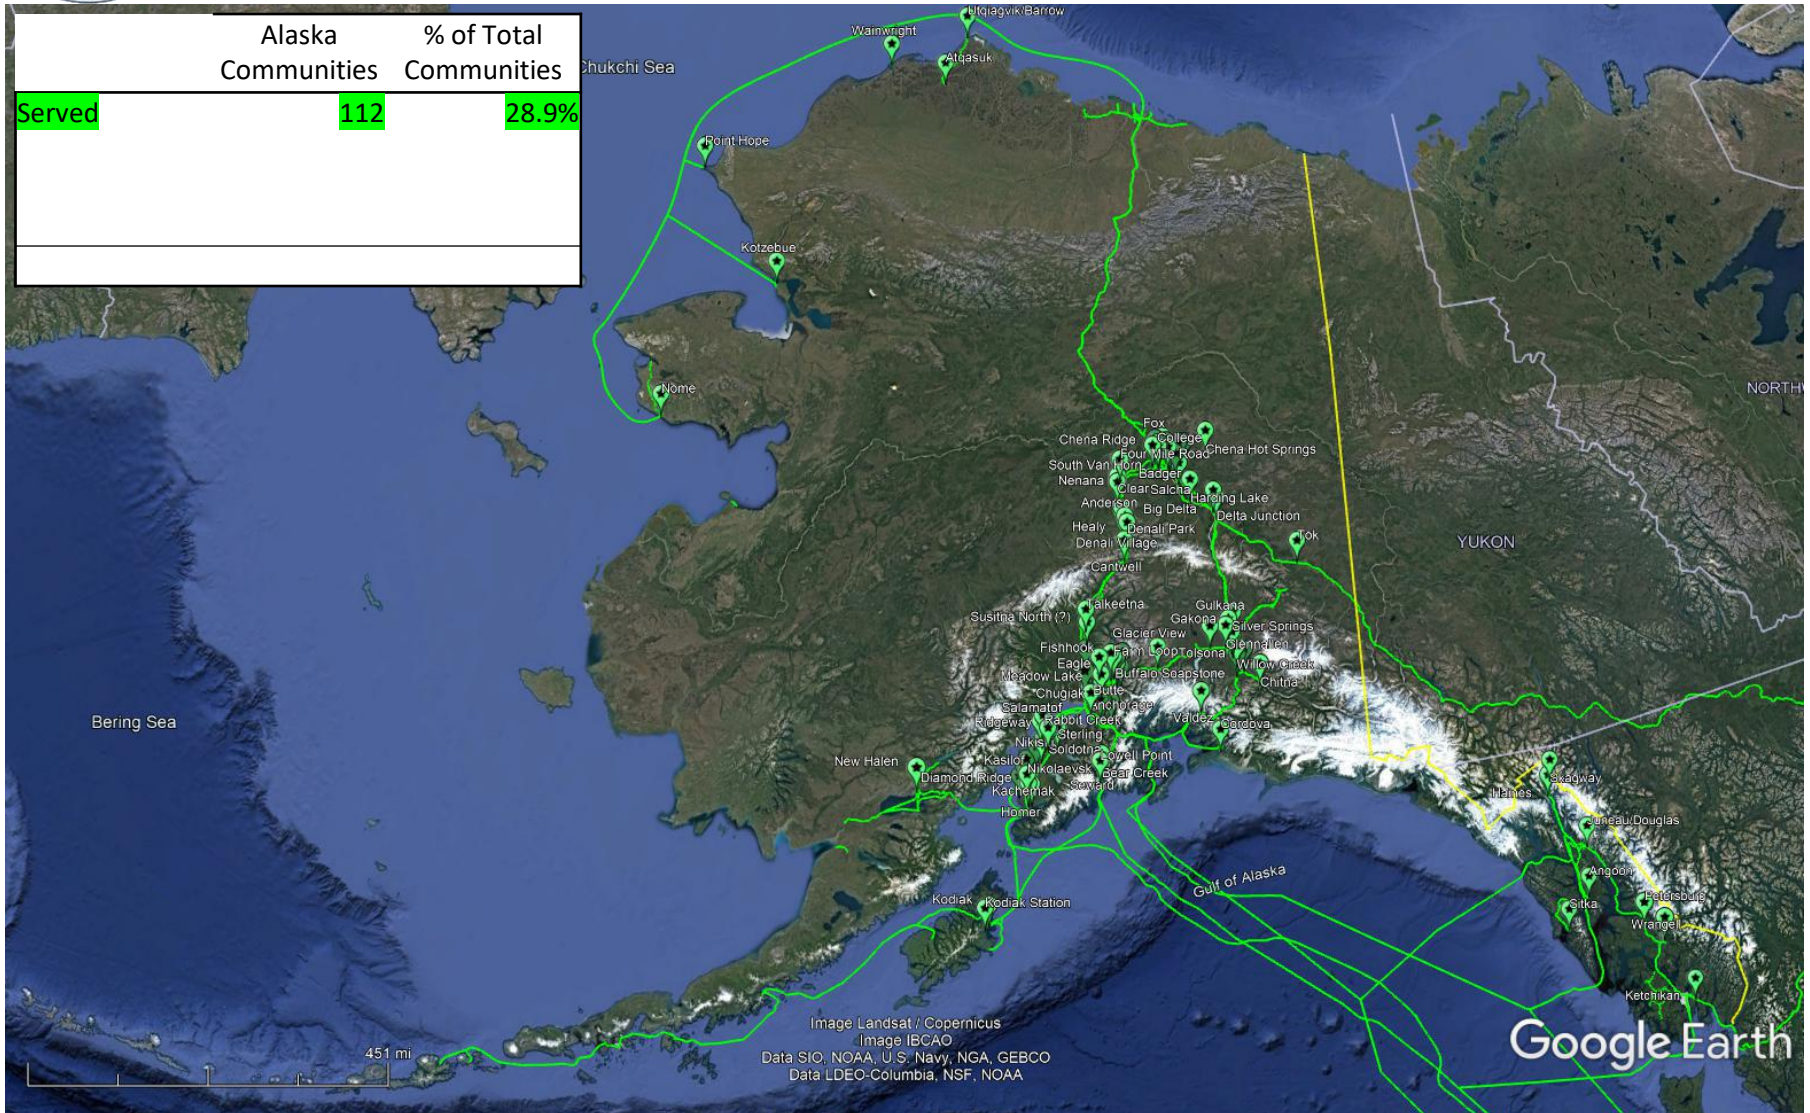

- **Unserved (cannot achieve):**
 - 25 Mbps Download Bandwidth (Watching a video)
 - 3 Mbps Upload Bandwidth (Posting)
- **Underserved (minimum):**
 - 25 Mbps Download Bandwidth of 25 Mbps, but cannot reach 100 Mbps
 - 3 Mbps Upload Bandwidth, but cannot reach 20 Mbps
- **Served (minimum):**
 - 100 Mbps Download Bandwidth
 - 20 Mbps Upload Bandwidth

What does Alaska look like?

Five-Year Action Plan by Category

Work with Tribes, Villages and Regional Corporations, Communities, Industry, AFN, AML and others to develop and submit a Five-Year Action Plan.

Five Year Action Plan Components

Outreach:

- Digital Equity Inclusion and External Engagement Process
- Alignment with Other Statewide Social/Economic/Infrastructure Plans

Network:

- Broadband Service Needs
- Asset Inventory
- Deployment Barriers & Obstacle Identification
- Comprehensive High-Speed Internet Plan

Logistical:

- Outline of Broadband Office, Employees, Consultants & Contractors, Program Work, and Anticipated Technical Assistance & Capacity Needs
- Broadband Funding Identification (Federal, State, Local and Tribal Providers) and Broadband Affordability Data

Initial Proposal Grant Criteria Category

Primary Criteria: Fixed 75% of Scoring from Notice of Funding Opportunity:

- Efficient Use of BEAD Funding – How big is the match?
- Affordability – 1Gbps/1Gbps affordable consumer product
- Fair Labor Practices – Can and will Subgrantees comply with Federal labor and employment laws?

Secondary Criteria: Will the work be completed by a set date?

All Other Criteria:

- Network Design
- Operating Costs – Sustainable, Affordable and Scalable
- Native Bidders
- Carrier Neutral and Fair Pricing Practices
