Yes No

This application is for a project located at a single physical address.

Yes No

The charging station(s) will be kept and maintained at the awarded project location for a minimum of five (5) years. If a station is sold or permanently inoperable prior to five (5) years of operation, I understand that SEC may require me to pay a pro-rated portion of the rebate back.

Yes No

All required permits and approvals will be obtained prior to installation and use of the charging station(s).

Yes No

Installation and use of charging station(s) will comply with all applicable federal, state and local laws.

Yes No

The charging station(s) will have dedicated parking spaces for each port. The parking spots will be designated as EV charging only with appropriate signage.

Yes No

I have included a Site Verification Form with my application.

Yes No

I will meet all reporting and usage data requirements outlined in the Scope of Work.

Yes No

I am unaware of any currently existing publicly accessible Electric Vehicle chargers in the community of the host site.

Yes No

I acknowledge that, if awarded, I will submit a W-9 and signed award agreement prior to receiving funds.

Yes No

I understand that funds can't pay for work completed prior to award, submission of receipts from work performed is required, and any funds not used on eligible expenses with receipt proof must be returned to SEC.

Yes No
