Award considerations

The following information will be considered when selecting the Business of the Year Award winner.

Requirements

1. Must be a member of Southeast Conference for at least (3) years demonstrating commitment to the SE Region.
2. Contributes and promotes the economic growth, stability and improvement of Southeast Alaska.
3. Nature of business, and a brief history.

Accomplishments and Achievements

Nominee must demonstrate excellence through one or more of the following criteria and demonstrate how they are beneficial to the region:

1. Exceptional growth through additional creation of jobs
2. Revenue growth
3. Innovative products or services
4. Provides exemplary customer service
5. Regional Contribution to the SE business climate.

Any additional information as to why the business should be chosen as "Business of the Year".
